The State Board of Deposit (BOD), is comprised of the State Treasurer, the Auditor of State, the Attorney General, and Cashier of the State Treasury. The board, who meets on a monthly basis, designates the depositories of public money.

Board of Deposit Members

Ohio Treasurer Josh Mandel, Chairman
Auditor of State Dave Yost
Ohio Attorney General Mike DeWine

Purpose of the Board of Deposit

The role of the State Board of Deposit (BOD) is to designate the depositories of the public moneys of the state and implement the Uniform Depository Act as it applies to the state.

Agency Goals

Determine eligibility and designate financial institutions and banks to function as public depositories. Regulate the deposits of state money into these institutions.
