EverFi is a media learning platform that uses the latest technology – video, animations, 3-D gaming, avatars, and social networking to bring complex financial concepts to life for today’s digital generation. Offerings include programs for 4th through 12th grade students. Funding for EverFi programming is provided through a partnership between the Ohio Bankers League and EverFi. In 2013, the Treasurer’s Office partnered with EverFi to market this unique teaching resource to Ohio’s schools. As of 2014, over 300 Ohio schools are using EverFi in their classrooms.
