

JOSH MANDEL

STATE TREASURER OF OHIO

Paying recurring taxes is no longer a hassle. Businesses and government entities that have received a notice from the Ohio Department of Taxation can register for electronic payment via a secure Web portal.

What is an EFT?

An electronic funds transfer is an easy way to pay recurring commercial activity, corporate franchise, sales, streamlined, use and withholding taxes.

Through this service, the Treasury makes the process of paying recurring taxes as quick and convenient as possible.

How it helps

This quick and simple process allows Ohioans to pay their taxes in a timely manner.
