

Effective Communication with Stakeholders

Course Description Quick Guide

Course Name	Course Description
Effective Communication with Stakeholders Stanley J. Bahorek, Treasurer/ CFO, Columbus City School District, Jeff McCuen, President, McCuen Accounting Services	Sharing details about complex financial matters with stakeholders can prove challenging. However, communicating such information in an effective way is an important aspect of a fiscal officer's role. Participants will learn best practices for communicating with stakeholders and colleagues, tips for keeping local decisionmakers and community members informed, and ways to promote collaboration and transparency.
