

OASBO Mentoring Program Lunch & Learn Webinar - November 2023

Course Description Quick Guide

Course Name	Course Description
Federal Programs Overview Diane Neal, Assistant Director, Office of Federal Programs, Ohio Department of Education	<p>This course will cover an overview of federal programs available in the Consolidated Funding Application. The participants will learn about each federal fund, the intent and purpose of each fund, allowable uses, and a calendar of fiscal requirements for these funds. This course will provide an overview of ESEA Federal Programs districts receive through their Consolidated Funding Application. Participants will learn about allowable uses of funds, each programs intent and purpose, required fiscal components, monitoring reviews for funds and resources available.</p> <p>Statement of Accreditation</p> <p>Rationale: Understanding the ESEA requirements and intent and purpose is critical for school treasurers as they make budgeting decisions for the funds. The program side of the funds is often not presented to treasurers, however, much of the review for these programs is around evidence of the program and monitoring for effectiveness.</p>
