If for any reason, you miss more than 10 minutes of instruction for personal or business needs, you are obligated to account for the missed time when reporting your hours. For example, if you make a phone call that lasts 15 minutes in the middle of a session, you should report 1.25 hours if the "Hours Possible" for that course is 1.5 hours.

TIP *If you have a wireless device or internet access with you at the conference, we suggest reporting your hours for each course attended during the break immediately following the course.*

Step 5 If you are seeking CPIM certification (i.e., you want credit for these hours), you are required to pay an Annual CPIM Certification Fee of \$100. If you have paid your fee, a green box will appear at the top of your MyCPIM screen. If you have not paid, a red box will appear. Click on the red box, and follow the payment instructions. You will not receive an invoice, but you may download an invoice on the payment page. If you do not pay the Annual CPIM Certification Fee before 12/31/2022, you will NOT earn CPIM hours for these courses.
