

Ohio Treasurer of State's Office

**Supplemental Note to the
ResultsOHIO Request for Consulting Services
Issued August 25, 2021**

This note is intended to serve as Supplemental Note to the 2021 ResultsOHIO Consulting Services, Foundation for Appalachian iSEE Project. This adjustment is relating to the services summary and objectives section.

The Treasurer's Office anticipates that any consulting engagement will begin immediately upon execution of a contract and is anticipated to last **three (3) to five (5) months**, with the option to extend the engagement as needed; as opposed to the originally anticipated six (6) to (9) months provided in the RFS. Please refer to the Request for Services document for information relating to consulting services and requirements.
