STATE TREASURY ASSET RESERVE

STAR OHIO

The State Treasury Asset Reserve of Ohio (STAR Ohio) is an investment pool that allows government subdivisions—from municipalities to school districts—to invest in high-grade, short-term securities, while offering safety, penalty-free liquidity and comparatively higher yields.

Since 1995, STAR Ohio has maintained Standard & Poor's highest rating (AAAm), demonstrating a long history of soundness and security. The fund generally offers higher yields than comparable investment vehicles because of the increased earning power of
