FIRST ROUND OF FEASIBILITY REPORTS RELEASED

First Round of ResultsOHIO Feasibility Reports Released

Last week, Ohio Treasurer Robert Sprague announced the first five project proposals to be scored “Pay-for-Success Appropriate and Ready” through the [ResultsOHIO program](#).

In September, the Treasurer’s office released its first Notice of Application to screen and evaluate potential Pay-for-Success (PFS) projects. The ResultsOHIO application is not an application for funding, but rather the first step for projects interested in pursuing a PFS project.

Applications were evaluated to determine whether proposed project would be a good fit for the PFS project delivery and financing structure.

Five projects have been determined to be “PFS Appropriate and Ready” and issued ResultsOHIO Feasibility Reports. Feasibility Reports contain an analysis of the project from the Treasurer’s office that applicants can utilize to advocate for funding.

Organizations whose project proposal have been deemed PFS Appropriate and Ready include:

- [Cincinnati Works](#)
- [Columbus Works](#)
- [Every Child Succeeds](#)
- [Ohio Department of Higher Education \(National Guard Scholarship Project\)](#)

- [OneFifteen Recovery](#).

More information about these five proposals and the ResultsOHIO initiative can be found at Results.Ohio.gov.
